## **CODE OF CONDUCT 2018 TEAM SPORTS**

- The Harvey Recreation and Cultural Centre has a Code of Conduct for all sports administered by "The Centre". The code has been developed with particular reference to players, umpires/referees and spectators. It includes all behaviour (physical and verbal) that is not considered to be generally acceptable to the family friendly atmosphere that is encouraged at "The Centre". The Code of Conduct can be administered by either umpires or "The Centre" management.
- Umpire "card" penalties per player are as follows:
- **One "Yellow"** card per match = player on umpire notice. This will be issued for any breaches of behaviour including strong language, aggressive behaviour or anti-social and unacceptable behaviour.
- **Two "Yellow"** cards per match = player no longer available for that match. The team involved continues with one player less on court for the rest of that match. Penalties may be applied by "The Centre" after further consultation with the umpires.
- **One "Red"** card per match = player no longer available for that match. This will be issued for extreme or repeated cases of verbal or physical abuse. The team involved continues with one player less on court for the rest of that match. Penalties will be applied by "The Centre" after further consultation with the umpires.
- Any verbal or physical abuse directed toward an umpire will result in an automatic "Red card" send off of the player involved and further disciplinary action will be taken by "The Centre".
- The umpires have the jurisdiction to abandon a match if in their opinion it is unsafe for players, umpires or spectators to continue.
