## Please read carefully and sign medical agreement

I understand the Harvey Recreation and Cultural Centre Outside School Hours Care are unable to care for sick children, or children with contagious illness.

In the event of an illness or accident (when parents/guardians or authorised person/s cannot be contacted), I consent to medical treatment from a registered medical practitioner, hospital or ambulance service being sought for the child and transportation of the child by ambulance. I agree to pay any expenses incurred for medical treatment and transport.

In case of an emergency when those people authorised to collect a child cannot be contacted, I consent to the approved provider/nominated supervisor having due regard to the wellbeing of the child, authorizing an adult educator who is responsible for the child to take the child from the education and care service.

I have read and agree to follow the service policy on administration of medication. I understand that for all medications I must complete and sign 'Authority to administer medication' form on the day in which it is to be administered.

My medical practitioner is advised that he/she may be consulted, and has my permission to treat the child.

I give permission for HRCC OSHC to use sunscreens, ointments, creams and applications for First Aid when necessary. Any allergies to the above have been noted on the enrolment form.
